iQnovate Limited Lists Ordinary Shares on GXG Main Quote
Viriathus Capital Appointed as Corporate Advisor

MIAMI, FL – September 17, 2013 (BUSINESS WIRE) - Viriathus Capital LLC is pleased to announce that iQnovate Limited's ordinary shares have been admitted to the GXG Main Quote effective September 17, 2013 and that Viriathus Capital has been appointed iQnovate's Corporate Advisor. iQnovate's ordinary shares will trade under the symbol IQN with an opening price of €0.822, giving iQnovate a market capitalization of €30,788,741 based on its existing home market quote on the National Stock Exchange of Australia.

David Batista, Senior Managing Director of Viriathus commented, "We congratulate iQnovate on their GXG Main Quote listing and look forward to serving as their corporate advisor providing them with market advice on their ongoing obligations regarding corporate governance, meeting market rules, and providing disclosure and transparency to the market."

George Syrmalis, Chairman and CEO of iQnovate Limited commented, "iQnovate shares are now traded in three continents, twenty-four hours a day, and exposed to hundreds of millions of potential investors. iQnovate has now created a solid multinational shareholder infrastructure, enabling it to execute on its global M&A strategy."

About Viriathus Capital

Viriathus Capital LLC is a global boutique investment bank dedicated to providing the highest quality execution expertise and financial advice on a broad spectrum of international and complex transactions to private and public companies as well as institutional investors worldwide.

About GXG Markets

Originally established in 1998 as a Danish Authorized Marketplace, GXG Markets operates a three-tier market solution authorized by the Danish Financial Supervisory Authority under which emerging growth companies can graduate from a multilateral trading facility to a full market listing on a European regulated market.
